“Woodruff Transit” Shuttle Service Resumes Service on August 24

To assist students, faculty and staff with campus “move-in” transportation needs, the shuttle service of the Robert W. Woodruff Library of the Atlanta University Center (AUC) will resume operation two days before the start of the Fall 2009 semester.

From **9 AM-5 PM on Monday, August 24, and Tuesday, August 25**, “Woodruff Transit” routes “A” and “B” (Vine City MARTA to Ashley Terrace/West End and Ashley Terrace/West End to Vine City MARTA) **will be in service**. Operation of all routes (A, B, C, D and Campus Express) will resume on the first day of classes, Wednesday, August 26.

REMINDER: ALL passengers will be required to show valid AUC identification before being allowed to board the shuttle.

To accommodate the interior renovation of the Library, construction fencing has been installed around the front entrance, with a temporary entrance in use at the rear of the building throughout the fall semester. As a result, ***the shuttle will drop off and pick up riders at the corner of James P. Brawley Drive and Beckwith Street throughout the fall semester.***
