

# Speech Communication

**Angiah Davis**  
Speech Communication Liaison  
(404) 978-2087  
[adavis@auctr.edu](mailto:adavis@auctr.edu)

## Scope

This subject guide highlights some pertinent materials covering the field of speech communication. Both general and specialized resources critical to the field of speech communication are included in this guide and are available at the Robert W. Woodruff Library. For those speech communication resources not included in the Woodruff Library collection, the researcher is encouraged to consult with the Performing Arts liaison

### Table of Contents

- |                                   |                                       |
|-----------------------------------|---------------------------------------|
| 1. Handbooks and Sourcebooks      | 4. E-Resources                        |
| 2. Encyclopedias and Dictionaries | 5. Websites                           |
| 3. Bibliographies                 | 6. Library of Congress Classification |
